

30th Anniversary

Wall of Honor

www.PEIkids.org/HonorThem

Whether we're from a traditional or not-so-traditional family, we all have parental figures who have taken a leadership role in our homes, communities, and in our lives.

In celebration of PEI Kids' 30th anniversary year of keeping children safe, we have created a **Wall of Honor** on our website – at peikids.org/honorthem -- where you can post a personal message to honor your mother, father, grandparents, and those maternal and parental figures who have impacted your life in a special way.

Just complete the form and submit it with your special message and donation. There are two giving levels: \$30 to include your special message directly on our **Wall of Honor**, and \$300 to inscribe your message on a gold plate at the top of the **Wall of Honor**. All donations are tax deductible and will benefit our intervention programs which provide, counseling, instruction and support for at-risk youth and children impacted by violence.

What a lovely way to celebrate the special people who have made a difference in your life.
Let's honor them together!

Please reserve ___ \$300 or ___ \$30 message(s) on the Wall of Honor. Total = \$_____
